

BIRTHDAY BOOK CLUB

Who can be in the Birthday Book Club?

Anyone can participate in the Keenan Birthday Book Club!

Just fill out the form and turn it into the library with cash or check.
June and July birthdays are invited to participate any time of the year,
just choose the month you would like them to attend.

Here's How It Works!

*At the beginning of the school year, please send \$20 and this completed form to the library.

*Your student will be invited to come to the library for a Birthday Book Club Breakfast in the Library.

*At their special breakfast, they will eat and choose a book they would like to donate in their name.

*A bookplate with their name and picture will be placed inside of the book indicating that it was
donated in your child's honor!

*That morning they will receive special recognition on our morning announcements.

*The birthday child will be the first student to check out the new library book!

*I will send an invitation the Monday before the breakfast.
